

**Retail Price List - Valid From October 2020**

**SOUNDPATH RCA INTERCONNECT CABLE**

SVS SoundPath Interconnect Cables maintain pristine signal purity and provide noise rejection under all conditions so that audio systems can reach their true performance potential. The new interconnects have a hefty, high-end feel and feature pure copper conductors with 24K gold plated brass connectors and a precision-engineered five-layer dielectric insulation system to reject RF and electromagnetic interference. Available single lengths: 1m, 2m, 3m, 5m, 8m, 12m, 15m
